

include/core/MqttPublisher.hpp

```
graph TD; A[include/core/MqttPublisher.hpp] --> B[cstdio]; A --> C[string];
```

A diagram illustrating the dependencies of the file `include/core/MqttPublisher.hpp`. The file is shown in a grey box at the top. Two blue arrows point downwards from the bottom of this box to two separate grey boxes below it. The left box contains the text `cstdio` and the right box contains the text `string`, indicating that `MqttPublisher.hpp` includes both of these headers.

cstdio
